

# Safari Equinox I

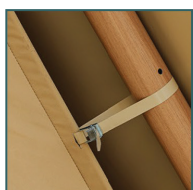

## A versatile, compact glamping solution.

Easily transportable and simply setup, the 13.2m<sup>2</sup> (142ft<sup>2</sup>) Safari Equinox I is a great base of operations for the avid adventurer. Made from lightweight materials and engineered to be compact, the Equinox I is highly durable and weather-resistant ensuring resilience against a variety of tough weather conditions. Utilizing premium, eco-conscious materials, Luna's Equinox series endeavours to reduce environmental impact while prioritizing sustainability.

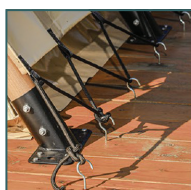

## Leaders in frame strength and durability

Etched aluminum framework and steel connectors

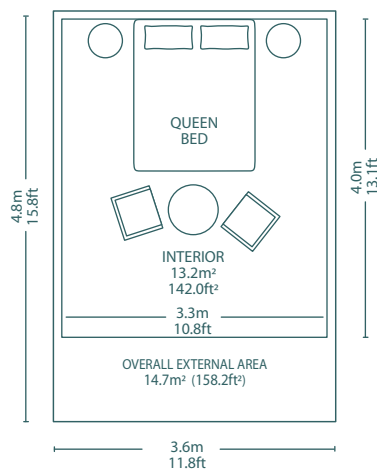

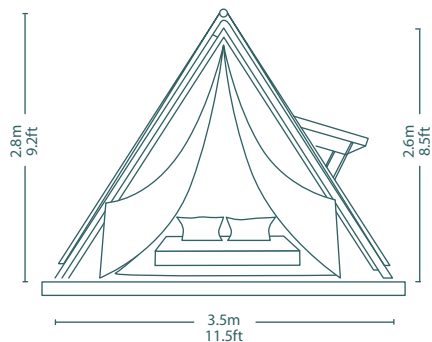

Fully adjustable anti-slip buckles

Reinforcement tightening

Ratchet strap tensioners
