

Safari Zenith I

Caste away your pre-conceptions.

Relaxing in the Zenith I's spacious 22.9m² (246.5 ft²) interior is very far from traditional camping. With room for a family and plenty of their favourite glamping gear, the Zenith I brings glamping comfort and luxury to a new level. Extra features like built-in sunshades, padded flooring, and customizable decor provide exceptional comfort in a variety of outdoor environments. Streamlined installation means that the Zenith I assembles with minimum effort or technical expertise.

Leaders in frame strength and durability

Strong aluminum and steel frame

Reinforced steel frame footings

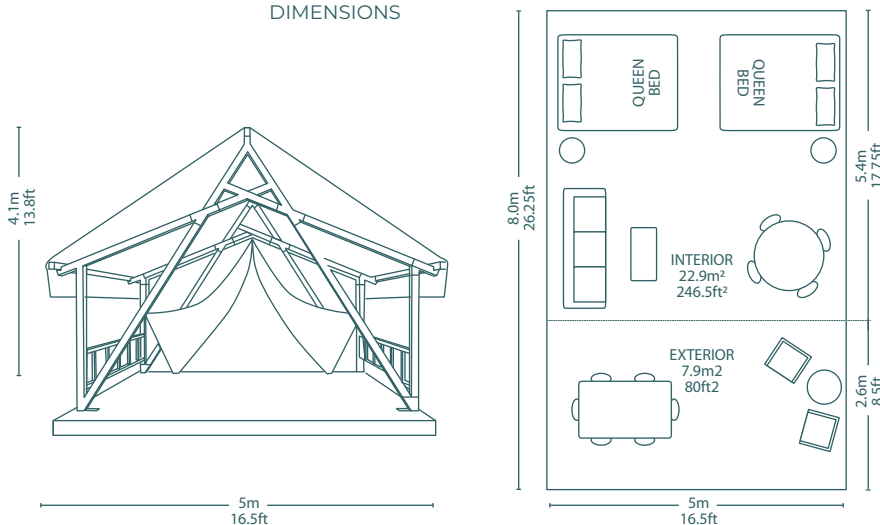

Fully adjustable anti-slip buckles

Dual layers create insulating air-gap
