

# Safari Aurora I

Personal space with room for comfort.

A surprisingly spacious glamping experience in a modest footprint! The Aurora I's 7.5m<sup>2</sup> (80.5ft<sup>2</sup>) interior space offers accommodation for a queen-size bed as well as some of your favourite glamping essentials. Extra features like built-in sunshades, padded flooring, and customizable decor provide exceptional comfort in a variety of outdoor environments. Streamlined installation means the Aurora I assembles quickly, with little effort or technical expertise.

## Leaders in frame strength and durability

Strong aluminum and steel frame

Fully adjustable anti-slip buckles

Reinforcement tightening

Ratchet strap tensioners
